OBJECTIVE:

Enthusiastic Software Engineer with over 1.5+ years of experience in IT, .NET Framework application, and business analysis. Proficient in SQL, Python, and Windows/Linux administration. Currently supporting banking applications at LTIMindtree, with expertise in troubleshooting and automation. Seeking a challenging role in Data domain to leverage my skills and contribute to operational excellence.

SKILLS

- **Programming Languages & Frameworks:** Python, MS SQL, T-SQL
- **Cloud Certificates:** Az-900, Az-104
- **Big Data Tools:** Basic knowledge of Hadoop, Spark, Kafka
- **Data Engineering:** ETL concepts, data pipelines, relational databases
- **Automation & Scripting:** PowerShell, IIS Server Administration, Windows Task Schedulers
- **Productivity Tools:** ITIL, Jira, ServiceNow, Grafana, SLA Management

EXPERIENCE:

Software Engineer, LTIMindtree (1.5+ Years)

- Provided technical support for 3 banking applications deployed across 10+ countries in Africa, ensuring seamless operations and quick resolution of issues.
- Developed SQL scripts to fetch reports required in various banking operations and optimized slow scripts, saving time and enhancing efficiency.
- Automated data processing tasks using PowerShell, improving operational workflows.
- Worked with large relational databases to enhance efficiency and performance.
- Collaborated with stakeholders to support data-driven decision-making.

INTERNSHIPS:

Computer Science Tutor, Chegg India · Freelance –(5 months)

- Assisted students in solving coding challenges, algorithmic problems, and other queries related to computer science within a timely manner.
- Fostered a supportive learning environment by offering clear explanations and helpful resources

Penetration Testing Intern, CyberSmith Secure (3 months)

- Performed network analysis and vulnerability assessments using Kali Linux and Metasploit.
- Assisted in preparing detailed reports on network vulnerabilities, offering solutions to mitigate risks. Identified and mitigated security vulnerabilities, contributing to enhanced network security.

EDUCATION

- **BSc - IT** Graduate from Jai Hind College, Mumbai - **9.25 CGPA (2020-2023)**
